Diane Cicala	Committee Member (absent)

New Business

The minutes from the May 6, 2008 meeting were approved.

Old Business

Mr. Hagelman told the committee that he had not yet finished the draft proposal to a local business that may consider offering some land for use as a dog park.

It was the feeling of the committee that we wanted more committee members in attendance for the discussion of several important agenda items. It was suggested that the committee should meet sooner than the next monthly meeting and it was decided to meet on the week of June 16th. The committee voted to adjourn for the night at 6:55 PM
